# ABOUT US

## OUR STORY

Established in Hong Kong in 2021, APLUS Agency Co., Limited provides comprehensive industrial solutions across sectors such as oil and gas, healthcare, logistics, and international procurement. Positioned at the intersection of global supply and regional expertise, we support high-value operations throughout Central Asia delivering quality, compliance, and long-term value.

Our strength lies in a highly experienced team of engineers, project managers, and procurement specialists who bring global standards to local execution. From technical consulting to equipment sourcing and full-scale project implementation, we help governments and enterprises operate with greater efficiency and reduced risk. Our track record includes close collaborations with state-owned companies and international manufacturers, allowing us to meet complex project demands with speed, accuracy, and integrity.

# OUR MISSION

## Integrated Project Delivery

We aim to deliver fully integrated industrial, procurement, and engineering services that align with our clients' objectives. Every project is managed with precision, timeliness, and a strong commitment to quality from start to finish.

## Strategic Partnerships

Our mission is to build and maintain long-term partnerships with government bodies, private enterprises, and international suppliers. These collaborations are rooted in transparency, mutual respect, and dependable performance.

## Operational Excellence

We focus on raising operational standards by providing high-quality equipment, optimized sourcing strategies, and expert technical support—helping clients achieve consistent performance and reduced downtime.

## Sustainable Industry Growth

We support sustainable development by embracing innovative technologies and responsible practices. Our goal is to help industries grow efficiently, safely, and in line with international environmental and safety standards.

# OUR VISION

At APLUS Agency Co., Limited, our vision is to be recognized as a leading provider of industrial and technical solutions that empower national infrastructure, drive innovation, and promote sustainable growth across the industries we serve.

We strive to expand our global reach while staying rooted in reliability, efficiency, and quality. By combining deep technical knowledge with strong international partnerships, we aim to be the trusted bridge between world-class suppliers and high-demand markets—delivering lasting value to every client, every project, every time.

## Regional Reach, Global Standards

With headquarters in Hong Kong, APLUS Agency Co., Limited delivers industry-grade solutions across the Globe. Our regional insight and international capability ensure smooth execution in diverse and regulated markets.

## Trusted by Public and Private Sectors

From infrastructure supply to turnkey services, APLUS Agency Co., Limited has earned the trust of national entities and private firms alike—delivering consistently across challenging environments.

## Excellence in Every Detail

Every project we handle reflects our dedication to quality, reliability, and long-term client value. We don't just complete work—we build confidence through results.

SHAPING THE FUTURE OF  
INDUSTRIAL EXCELLENCE

# OUR SERVICES

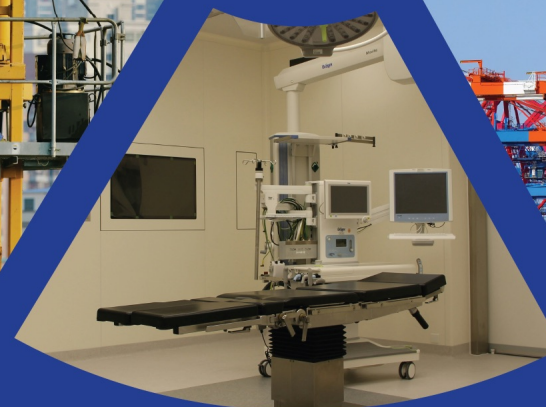

## 1 Engineering & Design Solutions

We deliver advanced engineering and design services tailored to industrial needs. From feasibility studies to final layouts, our technical team ensures every solution is safe, efficient, and built to global standards.

## 2 Construction & Site Execution

Our team oversees the construction and installation of industrial facilities, equipment systems, and infrastructure – maintaining strict quality control, safety, and compliance throughout each phase.

## 3 Medical Equipment & Consumables

APLUS Agency Co., Limited supplies hospitals and institutions with high-tech diagnostic equipment, surgical tools, personal protection gear, and a full range of medical-grade consumables.

## 4 Procurement & Supply Chain Management

APLUS Agency Co., Limited provides smart, reliable procurement solutions for industrial, oil & gas, and medical sectors. Our sourcing network spans trusted global manufacturers, ensuring timely and cost-effective delivery.

## 5 Oil & Gas Equipment Supply

We specialize in delivering mission-critical components and systems for oil and gas operations, including American-standard filtration units, safety systems, compressors, and pipeline components.

## 6 International Trade & Logistics

With deep roots in global sourcing, we coordinate cross-border logistics, customs clearance, and freight forwarding to ensure materials reach their destinations securely and without delay.

# REACHING BEYOND BORDERS

## INTERNATIONAL LOGISTICS & TRADE FACILITATION

With operations bridging Asia and Central Asia, APLUS Agency Co., Limited specializes in the coordination of cross-border procurement flows. We manage everything from sourcing and export documentation to customs clearance and on-site delivery.

Our logistics team ensures full alignment with destination-country regulations, industry certifications, and quality expectations. Whether moving filtration systems, medical goods, or industrial chemicals – APLUS Agency Co., Limited ensures secure, compliant, and timely delivery.

## PROJECT LIFECYCLE SUPPORT

APLUS Agency Co., Limited doesn't just supply – we support our clients throughout the full lifecycle of a project. From initial planning and technical specification to post-delivery support, our team remains engaged every step of the way.

### ■ Cross-Border Industrial Supply:

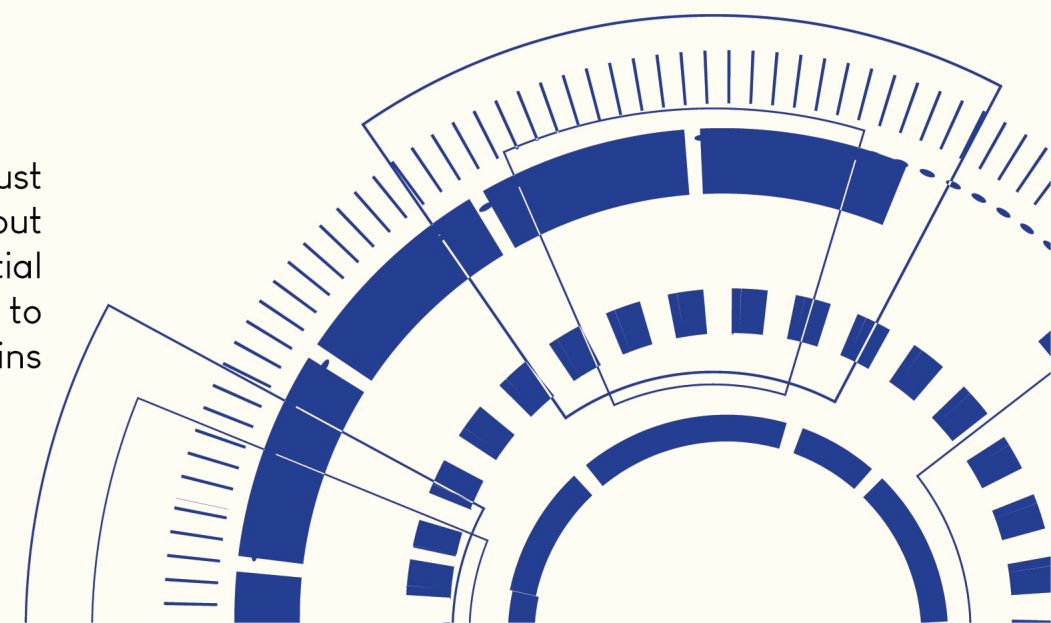

APLUS Agency Co., Limited supports regulated movement of industrial materials including chemicals, metering devices, and corrosion-resistant components across Asian trade corridors.

### ■ Compressor Systems for Industrial Projects:

In collaboration with Bauer Kompressoren GmbH (Germany), we supply energy-grade compressor units tailored to the needs of infrastructure and field environments in Central Asia.

### ■ Pipeline & Valve Solutions: OEM-Driven Supply:

APLUS Agency Co., Limited delivers pipeline valves, fittings, and safety systems in partnership with OEMs such as Böhmer GmbH, supporting operational continuity in gas and oil infrastructure projects.

We believe in building smarter industries through global insight, regional expertise, and solutions that move businesses forward with confidence.

## SECTORS OF EXPERTISE

### OIL & GAS INDUSTRY

APLUS Agency Co., Limited delivers engineering, supply, and commissioning solutions for upstream and downstream oil & gas operations. We support critical infrastructure with filtration systems, safety gear, compressors, and flow control components.

### MEDICAL SECTOR

We supply high-grade medical equipment and consumables to hospitals and health institutions. Our offerings meet international healthcare standards and are backed by technical support and procurement expertise.

### INTERNATIONAL TRADE

With a network of reliable suppliers across Europe and Asia, we enable efficient cross-border trade. Our sourcing and logistics teams manage procurement flows from start to finish with full compliance.

### LOGISTICS SUPPORT

APLUS Agency Co., Limited provides freight coordination and material movement services for industrial, medical, and government clients—ensuring timely delivery, customs clearance, and end-point tracking.

# INDUSTRY-SPECIFIC SOLUTIONS

Every sector we serve has unique requirements. We offer specialized expertise to match technical, regulatory, and operational needs—no matter the complexity.

## RELIABLE SUPPLY CHAINS

From sourcing to delivery, our network is built on trust. APLUS Agency Co., Limited ensures availability, consistency, and traceability across all regions we serve.

## COMPLIANCE AND QUALITY

All operations align with international safety, environmental, and quality benchmarks—meeting the demands of institutional and government-level clients.

## CROSS-SECTOR EXPERIENCE

Our strength lies in our ability to integrate technical knowledge across diverse industries, delivering value that goes beyond standard service.

# PROJECT DELIVERY & IMPACT

## STRATEGIC EXECUTION ACROSS CORE INDUSTRIES

Since its founding in Hong Kong in 2021, APLUS Agency Co., Limited has delivered a series of high-impact projects across Central Asia, South Asia, and the Caspian region. With a focus on industrial engineering, procurement, and medical supply, APLUS Agency Co., Limited has established a reputation for reliable execution, regulatory precision, and long-term partnership.

From energy infrastructure to public health supply chains, our projects are shaped by technical depth, logistical coordination, and strategic sourcing through trusted global manufacturers. Below are highlights from our portfolio.

# KEY PROJECTS DELIVERED

## CHEMICAL LABORATORY SYSTEMS

Supplied and integrated advanced chemical laboratory systems for clients including China National Petroleum Corporation (CNPC), The State Concern Turkmenogas, and the Ministry of Health & Medical Industry of Turkmenistan, enhancing analytical capabilities.

## RESPIRATORY PROTECTION EQUIPMENT

Delivered a comprehensive suite of high-grade personal protective systems for field engineers and operations teams within Turkmenistan's national gas sector, ensuring products met international safety standards for high-risk environments.

## INDUSTRIAL EQUIPMENT DELIVERY

**INDUSTRIAL EQUIPMENT DELIVERY TURKMENISTAN:** Coordinated complex shipments of industrial equipment, including compressors, valves, pipeline protection systems, and safety gear for oilfield clients, managing both vendor sourcing and last-mile logistics.

## MEDICAL CONSUMABLES SUPPLY

**MEDICAL CONSUMABLES SUPPLY TURKMENISTAN:** Fulfilled a government tender for a wide range of medical consumables, such as diagnostic kits, PPE, and surgical materials, ensuring uninterrupted service to healthcare facilities across multiple regions.

# OUR STRATEGIC SUPPLY & TECHNOLOGY PARTNERS

APLUS Agency Co., Limited partners with globally recognized manufacturers and technology providers to ensure the delivery of industry-certified products and solutions across energy, healthcare, and industrial sectors.

Our trusted suppliers and collaborators span key industrial regions, including Germany, China, India, and the United States – allowing us to meet complex technical requirements with consistency and speed.
